### alx\_africa

Professional Foundation  
June 2024 - August 2024 (3 months)  
Lagos State, Nigeria

I completed the ALX Professional Foundations Program, a personal and professional development course designed to build essential workplace and leadership skills. Through interactive sessions, group projects, and peer collaborations, I developed strong competencies in communication, teamwork, time management, problem-solving, and emotional intelligence.

Highlights of my experience included the EmpowerHer Voice presentation, where my team advocated for gender equality and women's empowerment, enhancing my public speaking and advocacy abilities. The program also strengthened my confidence, adaptability, and professional mindset, preparing me to thrive in dynamic, high-performing environments.
